

AMBERIF Spring 2025 - International Fair of Amber and Jewellery in Gdansk.

On **March 12-14, 2025**, the AMBEREXPO convention and exhibition center in Gdansk will become a meeting place for representatives of the jewellery and amber industry, artists and jewellery designers from around the world. AMBERIF Spring 2025, one of the largest and most prestigious jewellery industry events in Europe, invites both industry visitors and exhibitors to attend this unique event.

Why visit AMBERIF Spring 2025?

AMBERIF is a platform for the exchange of knowledge, experience and business contacts, where the latest collections of jewellery with amber, modern jewellery solutions and artistic interpretations of this unique raw material are presented. In addition, among the exhibitors will be representatives of the gold, silver, diamond, gemstone, semi-finished products, machinery and packaging industries.

The fair is industry-specific, but on the last day, March 14, it will also open its doors to students of art schools and colleges, offering young artists the opportunity to discover the latest trends, learn about the work of established artists and make valuable contacts in the industry.

What awaits the participants?

Art Zone - will once again be the central point of artistic experience during AMBERIF Spring 2025. It will include:

- **ADA 2025 "Relationships"** - a post-competition exhibition of the AMBERIF DESIGN AWARD International Competition for Jewellery Design with Amber, showcasing Baltic amber as a unique artistic material.

- **AMBERIF Selection** - presentation of works awarded in the competition, being the essence of innovation in jewellery design.

- **Individual exhibitions** of renowned artists Andrzej Boss, Iwona Tamborska, Sława Tchórzewska and Michał Ostrogórski.

Once again, the Fair will be accompanied by the AMBERIF Vibes event, a spectacular fashion and jewellery show that will take place on March 12, 2025. The event brings together the worlds of fashion and jewellery. Last year, the event delighted attendees, providing an unforgettable experience. On the catwalk, models present the jewellery of the fair's exhibitors combined with modern clothing designs by Polish designers. The event also features an awards ceremony for the AMBERIF Design Award and AMBERIF Selection competitions.

Why be an exhibitor at AMBERIF Spring 2025?

AMBERIF is a unique opportunity for exhibitors to:

- Present their offerings in front of an international audience and key industry representatives.

AMBERIF SPRING
2025

12-14.03.2025

- Establish valuable business relationships and attract new customers.
- Strengthen their position in the market and showcase their latest developments and collections.
- Take part in prestigious events, such as the exhibitors' meeting evening or the AMBERIF Vibes show (also present your own products). Visitors and exhibitors can not only discover the beauty of Baltic amber, but also enjoy the unique atmosphere of Gdansk - a city with rich history and culture.

It is worth mentioning that for young jewellery designers, the organizers offer the opportunity to exhibit in the Start Up zone for a symbolic PLN.
