LIABILITY STATEMENT

I, the undersigned, hereby declare that the design for:

- the shell scheme*
- the electrical wiring system*
- the water and sewage system*
- the suspended structure system*

has been made in compliance with the applicable laws.

This both the shell scheme and the systems listed above were made in compliance with both the applicable laws and technical know-how. All the materials used for the construction, equipping and furnishing of the stand have the relevant approvals and certificates, including for non-flammability.

I also declare that:

- the pressure on the floor from the construction of my stand does not exceed the permissible load of 30kN/m² in halls A,B,C*
- the load capacity of one steel suspension cable does not exceed the permissible load of 35 kg (35 kg/1 m)*

We also undertake to follow the regulations applicable on the premises of MTG SA – AMBEREXPO Exhibition & Convention Centre, the Health and Safety at Work (BHP) and Fire Safety Regulations, available at www.amberexpo.pl, including the REGULATIONS FOR PARTICIPANTS OF FAIRS ORGANIZED BY THE GDANSK INTERNATIONAL FAIR SA.
